

Improving my word choice.
Using more interesting words.

What's a more descriptive word than "good?"
A good movie.
A good student.
A good speaker.
A good deal.

Students made an equitable deal with their teacher. Since their reports were done, they got to watch an exciting movie where the hero made an eloquent speech about the future.

I can use more descriptive language to improve my writing.

Example: The diligent students made an equitable deal with their teacher.
